

## Instructional Guide

# View Your Surgeon Report

This guide provides instructions for surgeons to access and view their individual performance reports within the surgical registry system.

## Getting Started: [Registry Access](#)

1. Open a web browser and go to [registry.oberd.com](https://registry.oberd.com)
2. Enter your **Username** and **Password**
  - a. Don't know your password? Click **Forgot Password** to reset it
3. Click the **Log In** button

## Navigating the Registry Portal

1. Look for the main navigation menu.
  - a. Located across the top.
2. Click on the section labeled **Registry Reports**.
3. From the list of available reports, select the **ACHQC Physician Report**.

## Understanding the Report Layout

The ACHQC Physician Report provides a comprehensive, case-by-case view of your performance data.

Section	Content Description
Operations	Procedure volume by type for completed, tracked surgeries.
Patient Age	Age distribution of enrolled patients (capped at 90).
Patient Sex	Patient sex recorded at enrollment.
Patient Race	Patient race recorded at enrollment.
Comorbidities	Preoperative patient comorbid conditions.
Intraop Findings	Documented intraoperative findings and techniques.
Intraop Complications	Complications occurring during surgery.
30 Day Outcomes	Outcomes reported within 30 days post-op.
Long Term Outcomes	Outcomes reported beyond 30 days post-op.
Response Rate	Completion rate for finalized follow-up forms.
